Library Kindle Permission & Acceptable Use Form

Introduction

The Kindle Fire is a convenient, portable reading device. It is the size of a paperback and capable of holding up to 1,000 books. In addition, unfamiliar words can be instantly defined using the onboard dictionary. The chance to use this device is a privilege that we are able to provide to students as long as the students use extra caution and responsibility. Each Kindle (with its carrying case) is valued at \$250.00. For this reason we require a parental signature before a Kindle can be checked out to a student.

Parent Responsibilities and Permission

I am authorizing my child to check out a Kindle Fire. I understand that it is to be used as a tool for reading and learning and that my child will comply with the Schleswig District Policy by keeping the Wi-Fi access turned off at all times. I will help ensure the safe and timely return of the Kindle within the loan period of two weeks; I also understand that I am financially responsible for any willful, malicious, or accidental damage to the Kindle as well as any charges resulting from content downloaded to the Kindle. I understand that my child may lose future loan privileges of the device if the Kindle is either damaged or not returned in a timely manner.
